

REMARKS

Applicant gracefully acknowledges receipt of the Notice of Allowance mailed on July 24, 2008 allowing claims 31, 34 and 35.

This paper presents amendments Under 37 CFR § 1.312 to the specification to conform the Title of the invention to Claims allowed in the application. According to MPEP §714.16, the Examiner “has authority to enter amendments submitted after Notice of Allowance of an application which embody merely the correction of formal matters in the specification or drawing, or formal matters in a claim without changing the scope thereof, or the cancellation of claims from the application, without forwarding to the supervisory patent examiner for approval.” Because the amendments presented in this paper include only corrections of formal matters in the specification, the Examiner is authorized under MPEP § 714.16 to make the amendments presented herein.

No new matter is added by these amendments, and no amendments to the claims are presented.

Applicants respectfully request that these amendments be entered in accordance with 37 CFR § 1.312 under the Examiner’s authority as specified in MPEP § 714.16.

The Commissioner is authorized to charge any fees associated with filing of this correspondence or credit any overpayments, to the Deposit Account No. **50-0563**.

Respectfully submitted,

A handwritten signature in cursive script, reading "Joscelyn G. Cockburn", written over a horizontal line.
